Halloween Movie BINGO

This fun game tests how much we pay attention to scary movies.

1. Print out the cards for your players.
2. Pick your favorite scary movie.
3. While your players watch the movie look for the scary movie tropes. *(i.e., blackbird, pumpkins, witches hat, haunted house)*
4. Use a highlighter to mark what you see.
5. The first player to get five in a row wins!

HAVE FUN!
