Upcoming Mystery Thriller

What are you reading? Tis the season for murders and mysterious happenings.

A BOX FULL OF DARKNESS, Simone St. James
(January 20, 2026)

MYSTERY, THRILLER, PARANORMAL

Siblings return to the house they fled eighteen years before, called back by the ghost of their long-missing brother and his haunting request to come home.

Strange things happen in Fell, New York: A mysterious drowning at the town's roadside motel. The unexplained death of a young girl whose body is left by the railroad tracks. For Violet, Vail, and Dodie Esmie the final straw was their little brother's shocking disappearance, which started as a normal game of hide-and-seek.

As their parents grew increasingly distant, the sisters were each haunted by visions and frightening events, leading them to leave town and never look back. Violet still sees dead people-spirits who remind her of Sister, the menacing presence that terrorized her for years. Now after nearly two decades it's time for a homecoming—because Ben is back, and he's ready to lead them to the answers they've longed for and long feared.
